

MOUNT HOLYOKE COLLEGE
CLASS OF 1964

January 15, 2016

Lynn Pasquerella, President
Mount Holyoke College
50 College Street
South Hadley, MA 01075

Dear Lynn,

We in the class of 1964 want you to know how sorry we are that you will be leaving the presidency of Mount Holyoke. We have felt a special bond with you ever since a number of us represented our class at your inauguration, and we were delighted when you agreed to be an honorary member of our class. We loved getting to know you better in connection with our 50th reunion in 2014.

Thank you for all you have done for Mount Holyoke. Your emphasis on “curriculum to career” has brought the college into the forefront in solving one of the most difficult issues in liberal education today. The success of the \$300 million comprehensive campaign and the almost \$200 million increase in the college’s endowment has brought historic financial strength. Participation in the Women in Public Service Project has raised the profile of women in government and non-profits while strengthening the college’s collaboration with other women’s colleges and its position on the national stage.

We wish you the best of luck in your new position as president of the American Association of Colleges and Universities. We know that this will mean advancements in the cause of liberal education, and also place a spotlight on the values of Mount Holyoke and its position as a premier liberal arts institution.

It has been wonderful having an alumna as president of the college. We will miss you, but are confident that you will continue to make Mount Holyoke proud. Our substantial DC 1964 contingent is waiting to welcome you.

Warmest regards,
MHC Class of 1964
